SPRUNG

In typical pose, our resident garden

Gnome. A tall one.

One of our most diligent band of hard working volunteers.

The garden is something we tend to take for granted so thank you Ron. The garden is going to look a treat this season and give the club a beautiful and relaxed atmosphere.

LOOK WHO'S POPPED UP

Yes he's back to playing bowls .

The house renovations are nearly done.

So there will be more time for clowning around as only Gus can.

Our resident poet Dennis Tranter has presented one of his many poems. Find it attached.

The season is starting to rev up and hope to see a big turnout for the opening of the season.

Ladies Opening 28th September 1pm. Official Opening Day is 2nd October 1pm.
